Dear Friend,

Thanks very much for your interest in Evergreen.  
The enclosed promotional materials should give  
you a pretty good idea of what the band is all about.

Through the years that we've been together,  
Evergreen has worked hard to develop a diverse,  
family-oriented repertoire that has something for  
everyone. Wherever we play — from grange halls  
to concert halls, from backyard get-togethers to  
big-time festivals — people tell us how much  
they enjoy what we do. Our performances are  
characterized by quality musicianship, relaxed  
good humor on stage, and the highest levels of  
professionalism throughout.  
Satisfaction guaranteed!

If you'd like to see Evergreen perform, let us hear  
from you via one of the contacts listed below. We'd  
be happy to fill you in on upcoming engagements  
and to answer any other questions you might have.  
You can also check our schedule, see photos of  
the band, download promotional materials, and

We look forward to hearing from you.
